

London Lynx Ringette Association
P.O. Box 32031, London, ON N5V 5K4

June 2009

London Lynx Ringette Association is looking forward to another exciting season on the ice. We have approximately 300 athletes participating in our association this year to make up a variety of teams from ages 5 years old and up.

Without local sponsorship support, the cost for participating would be out of reach for some families. We are seeking to obtain sponsorships from our community to help support and assist our association, athletes and teams with their costs. As you may be aware of, registration and ice fees are continually rising. We want to keep Ringette in London an affordable sport for children to be able to enjoy for years to come.

This year we are working on giving our sponsors more value for their commitment. We are offering 3 levels of sponsorship to meet different levels of interest for companies.

Gold Sponsorship (Fee \$600)

- Official team sponsor with company name as part of team's name
- Sponsor bars with Company name & logo on both home/away sets of jerseys
- Recognition on the home page of our website.
- Recognition as Gold Sponsor in our London Ringette Tournament (1/2 page advertisement)
- Team picture plaque for your business

Silver Sponsorship (Fee \$350)

- Sponsor patches on right corner on front of jerseys
- Recognition on our website
- Recognition as Silver Sponsor in our Tournament program (1/4 page advertisement)
- Team picture plaque for your business

Bronze Sponsorship (Fee \$200)

- Recognition on our website
- Recognition as Bronze Sponsor in our Tournament program (business card advertisement)
- Team picture plaque for your business

At this time we thank you in advance for your interest and support for our Association. Your generosity helps keep our athletes healthy and active.

Please forward your request to be a sponsor and cheques payable to London Ringette Association (L.R.A) by August 31, 2009. If it is more convenient we will gratefully pick up any cheques. Receipts are available upon request. Any questions can be directed to Jody Goldhawk.

Sincerely,
Jody Goldhawk, Sponsorship Co-ordinator
